

Plant Substitution Request Form (Landscape Manual)

Applicant Name: _____ **Date:** _____

Email: _____

Phone: _____ **Fax:** _____

Address: _____

Signature: _____ **Date:** _____

Case Name and Number: _____ **Permit Number:** _____

This request must be accompanied by a landscape plan highlighting the location of all plants for which substitution is requested

This form should be used to request a substitution of plant material previously approved on a permit or site plan. The proposal must be of the same character and specifications as the approved material, i.e., shade tree for a shade tree, evergreen tree for evergreen tree, etc. and may require native species, if the originally proposed plant material was native. Any proposed substitution should be planted in the approved location as shown on the landscape plan.
