

Pre-Application Neighborhood Meeting Instructions

What is the Pre-Application Neighborhood Meeting?

The Pre-Application Neighborhood Meeting is a mandatory form of community outreach conducted by the project applicant to receive initial feedback regarding certain project types prior to submittal to the Planning Department or the Department of Permitting, Inspections and Enforcement. Adjacent neighbors and relevant civic/community organizations are invited to attend this meeting, which must take place during certain hours of the day and within a certain distance from the project site. The meeting's intention is to initiate neighbor communication and identify issues and concerns early on; provide the project applicant the opportunity to address neighbor concerns about the potential impacts of the project prior to submitting an application.

Why is the Pre-Application Neighborhood Meeting Required?

The Pre-Application Neighborhood Meeting process is required for certain projects in accordance with [Section 27-3402](#) of the Zoning Ordinance and [Section 24-3303](#) of the Subdivision Regulations. Applicants for projects that are not subject to the Pre-Application Conference can also schedule and host the community outreach meeting, in accordance to the requirements described in this document. Individuals contacted as a result of the Pre-Application Neighborhood Meeting, will also be notified when the project application is submitted and formally accepted by the Prince George's County Planning Department.
