

INFORMATION MANAGEMENT BULLETIN

Bulletin No. 6-2019

Subject: Street Address Website

Resource: Information Management Division

Date: October 9, 2019

EFFECTIVE DATE: October 9, 2019

The Information Management Division of the Prince George's County Planning Department has launched a new webpage at <https://www.mncppc.org/4680/Street-NamesAddressing> to assist the Development Community when requesting new street names.

The street name and address website gives developers and citizens:

- The ability to review the Planning Department's address policy
- Review the official street name and street suffix lists
- Access the Department's GIS based address point web application

If you have any questions, please contact Michael Shean at 301-952-4779.
